

**Resolution authorizing the Franklin County Engineer and County Administrator to enter into agreements as necessary to provide services in accordance with Commissioners Resolution 0494-12, declaring an emergency due to severe storms and high winds (Commissioners)**

**WHEREAS**, on July 1, 2012, the Franklin County Board of Commissioners passed Resolution 0494-12, declaring an emergency in Franklin County, Ohio due to severe storms and high winds; and

**WHEREAS**, due to the widespread damage to property, streets and thoroughfares, along with the interruption of power services, it is in the public's best interest to share local governmental resources; and

**WHEREAS**, the Franklin County Engineer's Office has various equipment and resources for the removal of trees and other debris; and

**WHEREAS**, the sharing of governmental resources to alleviate damage caused by this major storm event may require the Franklin County Engineer and County Administrator to enter into agreements with local governmental agencies and public utility companies in Franklin County;

BE IT RESOLVED, BY THE BOARD OF COUNTY COMMISSIONERS OF FRANKLIN COUNTY, OHIO:

The Franklin County Engineer and County Administrator are hereby authorized to enter into agreements with local governmental agencies and public utility companies in Franklin County as necessary to provide services as detailed herein.
